## NOTEABLE JOBS LIST

Hollywood Casino : Perryville, Maryland. Maryland's first Casino with impressive monumental entry storefront doors, set off with eye grasping designer glazing. Inside the casino the buffet area is set off by the 6 huge interior windows, with curved golden framing and designer glass. The eccentric splayed storefront and doors of the casino's retail shop shine as the high polished stainless steel storefront frame brighten up the entire area along with unique glass shelving which followed the splay. The extreme fast track schedule for this project as Maryland awaited the grand opening of slots in Maryland was maintained.

Raymond Elementary School : Washington DC. Replaced existing windows in all 3 parts of the school. Job done primarily while school was in session. Job completed in 2008 fall to 2009 spring. Big beautiful historic wood windows set off the cafeteria in this DC school. Approximately 350 windows replaced on this project with a stringent schedule as classes were moved the entire time in sync with the window installation.
